#### Terms and Conditions

##### A 24 month minimum service term applies to connections to these plans.

1. Available to new credit-approved customers who connect to the **mycircle Infinity \$99 Plan** over 24 months. Plan Fee is \$99 per month. The total minimum cost over 24 months for the Plan is \$2,376, excluding any additional or excluded service costs or additional handset repayments (if applicable) continued at 3 below 2. Available to new credit approved customers who connect to the **mycircle Infinity \$129 Plan** over 24 months. Plan Fee is \$129 per month. The total minimum cost over 24 months for the Plan is \$3,096, excluding any additional or excluded service costs or additional handset repayments (if applicable), continued at 3 below 3. The Plan Fee is applied monthly in advance. For a part month, you will only pay part of the Plan Fee and (for the **Infinity \$129 Plan**) you will receive only part of the monthly data inclusion. If you fail to port your number to us within 21 days of delivery of your handset or you disconnect the service or switch providers within 24 months, an early termination fee of \$45 per month (Infinity \$99) or \$50 per month (Infinity \$129) for each remaining month of the 24 month minimum service term, plus any outstanding charges and any remaining handset payments (if applicable), will be payable immediately. (continued over)

**Unlimited Usage:** On **Infinity \$99 Plan** and **Infinity \$129 Plan**, Unlimited Usage includes standard national voice calls, national video calls, national SMS and national MMS. **Infinity \$129 Plan** also includes unlimited voicemail deposits and retrievals. The unlimited offer only applies to standard personal calls and text and is not to be used for commercial purposes. Optus Mobile Fair Go Policy applies.

**Infinity \$129 Plan** also includes 2GB of data to access Zoo services and browse the Internet from your mobile. If you exceed the monthly data allowance, excess usage will be charged at 35c per MB or part thereof. Any unused portion of the data cannot be rolled over. Data allowance excludes MMS (charged at prices above), Zoo subscription content and Third Party content and applications (charged at price announced at time of sale). Data usage will be counted in kilobytes, where 1024KB = 1MB and 1024MB = 1GB and includes both uploads and downloads.

**Exclusions:** Unlimited Usage offer excludes calls to 1800, 13 and 1300 numbers; operator assisted (including 124YES) and premium number (e.g. 1900) calls; international voice calls, video calls, SMS and MMS; premium and third party SMS; International roaming and diversion; calls to MobileSat; Mobile IM; Content packs; Mobile Internet and Zoo usage; Directory Assistance; and Voicemail usage (**Infinity \$99 Plan** only). Normal charges according to your service plan apply for those calls and services that are not part of the Unlimited Usage offer.

ACN Mobile is a 2.5G service. 3G service launches February 2009. Some of the features of the handset may be limited or not supported on our network. Video Calling is only available between video capable handsets within 3G or HSDPA coverage areas. If you or the other person on the video call move out of the 3G or HSDPA coverage area, your video call will drop out and you will only have the option to call the person back with a voice call. To access 3G services you must be in a 3G or HSDPA coverage area. Information in this flyer is correct as at November 17, 2008 however is subject to change. Refer to [www.acnaustralia.com.au](http://www.acnaustralia.com.au) for full plan pricing, terms and conditions and content download charges. All pricing is inclusive of GST. These offers are available for a limited time only and may be withdrawn at any time. Only while stocks last.
